

EduLearn Learning Platform

A polished visual system built directly from the supplied Task 1 wireframe, keeping the same Home → Courses → Dashboard structure.

Visual System

The interface uses the same friendly learning-platform language: rounded cards, soft tinted surfaces, strong navy headings and bright action buttons.

Token	Value	Use
Primary Blue	#2F80ED	Primary actions / active states
Navy	#12295F	Brand / headings
Purple	#8B5CF6	Secondary accent
Green	#14B889	Positive / data accent
Light Blue	#EAF4FF	Hero / card surface
Background	#F5F7FB	Page background

Typography & Components

Heading	Bold navy • high visual hierarchy
Body	Muted blue-gray • readable supporting copy
Buttons	Blue pill CTA • clear action language
Cards	Rounded corners • soft shadows • tinted surfaces
Navigation	Simple labels • active state for current page

High-Fidelity Screen Set

The same visual language carries through the main learning journey.

Courses • Browse & Filter

Search, category filters, course cards, progress indicators and clear next actions are designed as reusable components.

Dashboard • Track Progress

Search, category filters, course cards, progress indicators and clear next actions are designed as reusable components.

Login • Return to Learning

Search, category filters, course cards, progress indicators and clear next actions are designed as reusable components.

Design intent: keep the interface approachable for first-time learners while making the next learning action visually obvious.
